

# Industrial Liaison Office

---

FUUAAT has gained immense significance as an institution of higher education in Pakistan as it produced researchers and professionals of high caliber serving in various parts of the world. Our graduates are capable of developing indigenous technologies that meet the demand of 21<sup>st</sup> century. It was the recognition of this need that led to development of the industry liaison office (ILO).

FUUAAT-ILO establish and maintains industry linkages to make FUUAAT graduates their premium choice and identifies specific industry partners for the ongoing research at FUUAAT. It gauges industry needs and processes match making with FUUAAT departments to solve industrial problems. This office of university has direct bearing on commercialization activities. It also looks after for Industrial Relations.

The ILO team strives to establish and maintain relationships with employers, graduates and alumni to facilitate their connection to existing students and to provide a broad range of opportunities and experiences. Hence ILO acts as a one-stop shop for all stakeholders including students, their future employers, and alumni
